Advancing Treatment | Finding Cures

## Medical and Pediatric Resident Research Award

The mission of the Rheumatology Research Foundation is to advance research and training to improve the health of people with rheumatic diseases.

As part of the [Choose Rheumatology](#) campaign, the Foundation encourages students and residents to explore a career in the field of rheumatology. The purpose of the Medical and Pediatric Resident Research Award is to recognize outstanding residents for significant work in the field of rheumatology as evidenced by being an author or co-author of an abstract submitted to the 2020 Convergence (ACR/ARP Annual Meeting).

**Award Amount:** \$1,000 award plus reimbursement of up to \$1,000 for travel related expenses (including air fare, hotel and meals) to attend the 2020 ACR Convergence (ACR/ARP Annual Meeting).

All applications must be submitted by 5:00 PM ET on the deadline day through Zengine at:

<https://webportalapp.com/sp/fy2021abstract>

If you have any questions about your eligibility or submitting your application, please contact Award & Grants staff at 404-365-1373 or [Foundation@rheumatology.org](mailto:Foundation@rheumatology.org).

### Application Deadline

August 3, 2020

## Guidelines

### Eligibility

- All award recipients must abide by Foundation [Awards and Grants Policies](#) at all times.
- The applicant must be a resident enrolled in an ACGME-accredited pediatric, medicine or combined medicine/pediatric residency program who is interested in rheumatology.
- The applicant must be an author or co-author of an abstract submitted to the 2020 ACR Convergence (ACR/ARP Annual Meeting) via the ACR/ARP abstract submission portal by the **Tuesday, June 2, 2020** deadline.
- The applicant must have made a significant contribution to the work submitted in order to be considered for the award.

### Review Criteria

Each application will be ranked on the following criteria:

1. Evidence of abstract submission
2. Applicant's interest in the field of rheumatology
3. Support of nominee from faculty member
4. Accomplishments, track record and experiences of applicant

Applicants will be notified as to the status of their award in September.

### Award Terms and Funding

Awardees will receive an award of \$1,000, plus reimbursement up to \$1,000 for travel expenses (including air fare, hotel and meals) to attend the 2020 ACR Convergence (ACR/ARP Annual Meeting). Awardees will also receive complimentary registration for the meeting. This is a one-year award.

## Application Instructions

Before starting the online application, please read the [Instructions for All Awards](#).

### Applicant Information

You will be asked to confirm your eligibility and provide contact information in this section. In addition to the applicant information requested above, you will be asked to upload the following documents:

### Required Information

### Statement of Applicant

Limit to 1 page.

The applicant must include the following:

- A. Details regarding their involvement in the project reported in the abstract.
- B. Details regarding their past achievements and future career plans.

### Letter of Recommendation

Limit to 1 page.

The mentor must provide a letter of recommendation detailing the resident's contributions to the research project and any achievements.

### ACR Convergence (ACR/ARP Annual meeting) Abstract Submission

Please include the following:

- A. Author's name(s)
- B. Abstract control number (from ACR/ARP submission portal)
- C. A copy of the complete abstract. Applications received without a copy of the abstract submitted to the ACR Convergence (ACR/ARP Annual Scientific Meeting) will **not** be reviewed

***Please note that the Foundation does not have any information regarding the status of your abstract submission to the ACR or ARP. The ACR/ARP abstract selection process and the Foundation award selection process are conducted independently.***
