Pediatric Rheumatology Fellow Research Award

The mission of the Rheumatology Research Foundation is to advance research and training to improve the health of people with rheumatic diseases.

The purpose of this award is to recognize outstanding scientific abstracts submitted by pediatric rheumatology fellows to the ACR Convergence.

ACR Convergence

The meeting features the latest innovations, science, clinical and business best practices in rheumatology. You will get first-hand access to the latest discoveries and research transforming rheumatic disease care, as well as, clinical applications that will improve the health of patients. It is an opportunity to experience personalized learning that allows you to expand your knowledge to new areas of interest and focus in rheumatology. For more information about the ACR Convergence check out <https://www.rheumatology.org/>.

Award Amount: \$1,000 award plus complimentary registration to attend the 2021 ACR Convergence.

All applications must be submitted by 5:00 PM ET on the deadline day through ProposalCentral at: <https://proposalcentral.com/>
